

Bedford Road Pre-School Nursery Year Class

We provide high quality Early Years education through a curriculum that is built around the interests and individual needs of each child in order to help them progress.

Our aim is to help each child reach their full potential before they transition into their Reception year at school.

We have high Staff/Child ratios which enables us to provide a nurturing environment that helps build strong relationships with your Child's Keyperson and you as the Parent.

Meet the Nursery Team.....

We love being silly with the children because when you're laughing, learning is fun!

Cathy, Tracey and Carla are the Nursery Team. Together we love seeing our nursery children develop and grow. This term we've been promoting lots of outside activities such as den building, pretend camp fires, searching for bugs under logs and exploring.

Your child is already settled at Pre-School and they will be familiar with our staff and routines which will ensure that the transition into our Nursery Class is a smooth and stress free experience.

We want all children to feel safe and secure so that they can develop their self confidence and learn to work individually or in a group. We will help children develop as individuals whilst ensuring that we provide equal opportunities for everyone.

We have good links with our local Primary School and work closely with them when the time comes for your child to move into their Reception Class.
